RE: Sports Awards Evening & Performing Arts Awards Evening

Dear Parent/Carer,

I am writing to you to provide details of two exciting upcoming events that will celebrate the success of students at the Academy.

The **Bourne Academy Performing Arts Awards Evening** has become a firm fixture in the Academy calendar each year and celebrates the success of students in dance, drama and muisc. I am delighted to announce that this year sees students celebrated in the first **Bourne Academy Sports Awards Evening**.

Both events will take place in person at the Academy and students who have partcipated in extra curricular Sports or Performing Arts activities will receive an individual letter to confirm their invitation to each event, parents and carers will be expected to attend to share in the success of their child.

We encourage students to take part in sports and the arts at the Academy and they play a vital role in developing the character of our students as part of our **ASPIRE** ethos. It is testament to the ambition of our students that so many will be invited to attend a celebration event, with a number of students recieveing invitations for both.

Once tickets are made available they will be able to be purchased by clicking the following link: The Bourne Academy event tickets from TicketSource. Or by searching 'The Bourne Academy Ticketsource' on Google. To ensure the event is accessible as possible all tickets will cost £1.50.

Further details will follow from both the Sports and Performing Arts Teams.
