

20th October, 2021

Dear Parent/Carer,

TBA Ski/Snowboard Trip 2023

We were due to run our 2021 ski trip this year but the current situation put a stop to it and we have made the decision to now run the ski trip in Easter 2023. We are continuing the original booking and want to make sure we give our students the opportunity of a life time to go again, or try it for the first time! Ski trips are a great expense and we would like to give our students and families more time to save and pay for these trips so students can take advantage of the wonderful opportunity. The next ski trip will be Easter 2023 and deposits need paid by the end of November £50 and by February half term 2022 of £50. Any deposits paid will secure your child's place on the ski and snowboard trip for Easter 2023.

We will be going to either Austria or Italy, depending on the best ski package deal and staying in a lovely three star hotel accommodation, with good facilities for students, including a games area, lounge and evening entertainment. Included in the price is travel to the ski resort and back by executive coach, hire of all ski equipment skis, ski boots, poles and ski helmet or snowboarding equipment (ski clothing is not included - ski jacket, salopets, gloves etc) 5/6 day ski pass, ski/snowboard instruction and lessons, souvenir ski hoodie, dri ski session, ski pass deposit, ski awards, full board accommodation with 3 evening entertainments (bowling, swimming, quiz, pizza evening and ski awards evening)

The date of the Academy ski trip will be the first week of the Easter holidays 2023 and specific dates will be confirmed later, once the ski package deal is confirmed. There is an information evening on **TUESDAY 14th December, 2021 at 5.30pm** for students and parents to ask any questions regarding the ski trip...? They will be a final ski presentations evening at the same time next year to go through final trip details.

The cost of the ski trip will be in the region of £960-1060 (based on 2021 prices), but will vary slightly based on final numbers and the ski package deal. Your child will have a wonderful and amazing week learning to ski or snowboard in the spectacular surroundings of the alps and I hope you agree that this is a wonderful opportunity. If you would like your child to be considered and would like to book a place on the trip as numbers are limited, please complete the reply slip, enclosing a deposit of £50 by the end of November and £50 by February half term, returned as soon as possible in a sealed envelope clearly marked with your child's name, tutor group and 'Academy Ski Trip 2023' or pay via SCOPAY Please make cheques payable to THE BOURNE ACADEMY.

Ski deposits are non refundable once a place has been allocated and this secures your son/daughter's place on the 2023 TBA Ski & Snowboard Trip. Monthly payments of about £75 over 14 months to help spread the cost, and a final payment due in by February half term 2023, before we depart - dates will be confirmed by a second letter next term and a third payment of £75 due by the end of March 2022.

PE & ODE Department

The deposit does not guarantee you a place. There are limited numbers so it is on a first come first served basis and students may be put on a waiting/reserve list. We are pleased if your child would like to come on the Academy ski trip, but we reserve the right to withdraw them from the trip if they choose to break any Academy rules.

I would like to take this opportunity to thank you for your support and for you giving your child an opportunity of a lifetime!

Yours sincerely

M. Child
