

1 July 2020

Dear Year 10 Student & Parent/Carer,

As I am sure you are aware, we have had about 60% of Year 10 into the Academy over the last two weeks working on their Core subject areas. It has been great to see them along with the increasing number of Critical Worker children. I hope they have appreciated the chance to see their teachers again and have their support in person. However, as I mentioned previously, we would like to expand our provision to include Online Subject Support Sessions for your Option Subjects. Below, and attached, you will find the arrangements and timetables for these sessions (see timetable below). These sessions will commence on Monday 6 July and run until the end of the Summer Term. Please read the Microsoft Teams Guidance carefully as well as the Students Behaviour Guide for Online Meetings.

Mon

If you are unable to access your timetabled lessons then please communicate with your teacher through Show My Homework, Google Classroom or email. If for any reason the timetabled sessions cannot take place (eg due to staff illness) this will be communicated to students and parents/carers.

This new system will no doubt take some getting used to, but we are sure that with time it will become familiar and be a powerful tool to support you during the Academy closure and beyond.

Students and parents/carers should be aware that all lessons and interactions within the program/app are recorded. Any misbehaviour or misuse of the system will be followed up and may result in removal from the Online Subject Support Group.

Thank you once again for your continued support and understanding in this very challenging time.

M Avoth
Principal
