

24 February 2021

Dear Parent/Carer

As you heard from the Government this week, we are planning to welcome back students into school from 8 March alongside three Lateral Flow Device tests per student on re-entry.

Testing is voluntary; however, we would encourage everyone to participate in the asymptomatic testing programme to help break transmission links by identifying those who may be carrying the virus unknowingly. More information about the LFD testing process can be found on our website [here](#).

In order that we can plan effectively, please can you respond to this Testing Consent form by 5pm this Friday 25 February. <https://www.thebourneacademy.com/form/?pid=238&form=59>

As soon as we have worked out numbers of students to be tested, we can work out the final dates and times of each year group's return to school - this information will be communicated to you early next week.

Thank you very much for your support.

Kind Regards

The Bourne Academy
