

**1 October 2021**

Dear Parents/Carers,

Please find below details regarding a Generation Tech event hosted by J P Morgan, taking place online, for any students interested in a future career in science, technology, engineering, or maths. Please read the information below and sign up online for the event taking place on the 20 November.

**Generation Tech** is an exciting virtual technology design challenge hosted by **J.P. Morgan** for students studying GCSE mathematics, or A-level, interested in a STEM career. Using technology prototyping tools and their own creativity, students will be supported by JP Morgan Technologists, to design an app to address a social good challenge.

Teaching staff are welcome to join us and help students to understand more about the rapidly growing technology sector.

**Entry Requirements:**

Students studying GCSE Mathematics, or A-level, interested in STEM.

Technical skills are not required

Parent/Guardian written permission is required

A laptop or PC with access to the internet

**Register:** Please request your students to ask their parent or guardian to register their interest [here](#).

**Event Date: Saturday 20 November 2021**

**Event Time: 0930 - 1600**

**Event location : Virtual (via ZOOM)**

**Application Deadline: Sunday 7 November 2021**

*Places are limited so please respond ASAP*

Kind regards

**Mrs V Woodings**

**Head of careers and Aspirations**

**Principal: Mr Mark Avoth**
