Why?

The ASPIRE Award is all about helping you to develop your **character** by focusing your mind on getting involved and making a **positive contribution**.

On competing your award, you will achieve a certificate, an ASPIRE Award badge as well as an invitation for you and your family to our ASPIRE Award Celebration Event.

What?

The ASPIRE Award has three levels, bronze, silver and gold. All students will start by completing bronze, and work through the Award during your time at the Academy.

The suggested task list has been created with Student Council and your teachers, but if you are involved in an activity that is not listed, either in school or outside of school, then you should enter the evidence in the 'Supporting Statement' box on each page.

Gold	Minimum of 8 pieces of evidence in all ASPIRE competencies
Silver	Minimum of 5 pieces of evidence in all ASPIRE competencies
Bronze	Minimum 3 pieces of evidence in all ASPIRE competencies

How?

Use this booklet to collate your evidence and celebrate your achievements throughout the year. To complete your bronze award, you need to complete a minimum of three pieces of evidence in each competency.

At the end of the year, you will need to ask your sponsor to verify your evidence before it is assessed. This could be a teacher, your tutor or your Head of House.
