Dear Parent/Carer,

Revision Sessions

At The Bourne Academy we are committed to ensuring that all our students achieve the best possible grades. To support this, we will be running a programme of weekend and holiday revision sessions between now and the exams for Year 11 and Year 13 students. We have attached a copy so that it is easily available for you and your son/daughter.

The document shows all weekend and holiday revision sessions available to Year 11 and Year 13 students. There will be additional sessions added as the examinations to commence, that provide opportunities for after school and breakfast revision. These will be shared with parents, carers and students when we get closer to examinations. Within the document you will also find all of the examinations that will take place across Year 11 and Year 13. Please be aware that this document represents all examinations and revision sessions, not just those specific to your child.

Naturally, the most important determinant of success will be the **commitment of your child to work really hard over the next five months**. We will be encouraging students to strive for the outcomes they are capable of achieving and I am sure you will be doing the same. Analysis of our data from previous years has shown that the students who attend weekend and holiday sessions performed better in their examinations. We would appreciate your support in ensuring that your child attends all of the relevant sessions.

Thank you in anticipation of your support during the coming months.

Yours faithfully,

Mrs T Deane
Associate Vice Principal
