

FROM THE PRINCIPAL, MR AVOTH

Continued from page 1

My first few weeks have been a whirlwind. However, I have managed to see many of Academy's students showcase their talents, whether in Performing Arts, Examinations or Sport.

I was delighted to meet many parents/carers at the 'Welcome to 2015' Performance. This really was a showcase of what can be achieved in a short period of time. The students and staff had just finished a huge production of 'We will Rock You' and they only had two weeks to prepare for this performance evening. It was a great event and I look forward to attending many more productions over the next few years. I have also thoroughly enjoyed meeting with the Student Council. I am sure these meetings will continue to provide me with some challenges with regard to the canteen, mobile phones, rewards and sanctions!

January also saw our Year 11 students receiving their English Language GCSE results. As I am sure you are aware, the results were amazing with 18 students achieving an A/A* and 84% of the 97 students entered, achieving a C grade or above. These results are testament to the hard work and dedication of our students and to the staff who teach and support them.

One of our key priorities this year is to improve our communication with parents/carers. I have already met with the Parent Voice Team and intend to continue to do so. I will use these meetings to feedback Academy decisions on a range of subjects including, curriculum, pastoral care and staffing. I know the team would very much appreciate additional support. Therefore, if you are interested in joining please contact our Business Director, Mrs C Gobell on caroline.gobell@thebourneacademy.com.

Furthermore, I would like to announce that my Parents' surgery will run every Thursday evening from 5.00pm to 6.00pm. I would emphasise that the purpose of the surgery is to allow parent/carers to have a valuable forum with the Principal and not to circumvent the normal Academy procedures for dealing with concerns or general queries. If you wish to attend the surgery then please book an appointment with my PA, Mrs F Gilson on 01202 636991.

Have a great half term break and I really look forward to meeting you at Parents' Evening or at one of the many events held at The Bourne Academy throughout the year.

Mr M. Avoth, Principal

SCIENCE CHAMPIONS

In December, 21 of our most talented Year 9 students went to Bournemouth University to complete a forensic science day.

Their behaviour was, of course, exceptional and this was commented on by many members of the university team.

They did really well and many of our students correctly identified the killer of 'Rudolf'!

If you spot our four winners wearing their bright green 'STEM Champions 2014' hoodies, please don't forget to congratulate them.

By Mrs I Gater, Head of Science

KS3 STUDENT CELEBRATIONS

Congratulations to the following Key Stage 3 students who have improved their progress in Core Subjects —English, Maths and Science:

Year 7:

Arnold Brandon
Nathan Evans
Ethan Kelly-Pugh
Liam Roberts
Jazmine Brown

Year 8:

Caleb Osborne
Megan Symonds
Lewis Collins
Amy Damer
Kyle Meshier
Poppy Bryan
Brodie Richardson
Charles Scanlan
Luke Clark
Joshua Pollit
George Cutler
Rochsharna Porter
Charlie Carter
Sam Crawley
Alice Isaacs
Lee Jardine
Emily Field

Year 9:

Steven Allibone
Kyle Abram
Paige Flockton
Gemma Burrows
Jade Freeman
Emily Kellaway
Spencer Lacey
Jack Martin
Daisy Hindle
Miles Orchard
Thomas Murphy
Jayden Taylor
Lucus Stokoe
Jake Saunders
Ronak Farhadi
Craig Phillips
Alexander Taylor

F24 NEWS FROM TED 2015

Every Tuesday and Thursday, members of the Greenpower ACE club continue to work on improving their 2014 F24 car – the **Bourne Beacon**. Throughout last year's season The Beacon was light, reliable and quick; just not quite quick enough! The team is hoping that by trimming even more weight, improving the aerodynamics and installing a new belt-drive system that the new Beacon will shine brighter in its qualifying heats during 2015.

Greenpower ACE members have had great success in the past using wooden models to help envisage their final designs. Currently the team is employed in creating a timber maquette that will serve as a prototype motor mount – all part of the search for a more aerodynamic chassis. Once the chassis design is finalised, the actual modifications will take place using lightweight aluminium.

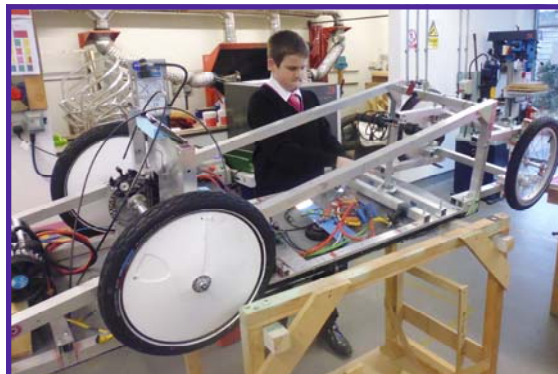

A new body shell is also planned. The old aluminium body panels will be scrapped and in their place featherweight shrinkable plastic sheet stretched over plywood ribs will be used.

In addition to all the mechanical tinkering, the F24 ACE members are working on their 2015 season strategy. Teamwork is the key to success. Team race-day roles will soon be established and driver changeovers and pit stop practise will commence shortly to enable the crew to save vital seconds on the day.

The ever-busy team is also focussed on renovating a trailer that will be used to transport the Beacon to the 2015 F24 race meetings. And if that wasn't enough, team overalls, gloves and helmets need to be sourced and fitted and the car tested for its top speed potential.

With the first F24 race in early May, the team has really got their work cut out. But just like they have done in the previous three seasons, the F24 team will be there, battling it out with the best of the best and proudly representing The Bourne Academy. We wish them good luck!

**By Mr Binstead,
TED Technician**

F24 is a national competition for 11-16 year olds comprising 90 minute race heats at various venues around the country. Success is measured by distance covered during each race. The best performing cars qualify for the final race which is held at Goodwood race Track.

F24+ NEWS FROM TED 2015

Meanwhile the Year 12 engineers continue to push forward the build of their **Blazing Bullet** F24+ Greenpower car. From the word go, the project has been managed in a professional and business-like manner. A stunning CAD design, great teamwork and the ability to network in the community and secure funding and sponsorship deals has given the Blazing Bullet team a real kick start in the drive to succeed in the highly competitive Greenpower arena.

With such a high spec design, some elements of the build have been out-sourced and recently various aluminium components have been delivered to a metal fabricator for shaping into the complex chassis ribs and roll bars that were so impressively showcased at the team's recent fundraising evening.

The F24+ team is sub-divided into mini-teams, each responsible for different elements of the car's design and build. In addition, certain members of the team are tasked with overall project management, final design sign-off, funding, peripherals, materials sourcing and promotions.

F24+ also relies on input and guidance from other sources of experience and expertise. The Greenpower online technical support team have recently been consulted for guidance on specification tolerances, while a less formal chat with a Year 13 bike nut and self-proclaimed wheel aficionado has provided the project with an invaluable insight into the world of bearings, spokes, axles and rims.

It won't be long before the Blazing Bullet starts to take shape – the chassis components are soon to be assembled and early next term the year 12 engineers aim to have completed a rolling chassis that will require only batteries and a motor to bring it to life.

The F24+ team is a highly motivated and professional unit that knows exactly what it wants to achieve. The team does however welcome and encourage help, guidance, funding, cakes(!) – you name it – from whoever wants to become involved and support the Blazing Bullet 2015 assault on the F24+ challenge. If you are able to offer any assistance to the F24+ team, or if you would like to consult the project manager to see how you could help please contact Lee Thompson on: 7848@thebourneacademy.com.

For further information on the Greenpower competition (F24 and F24+) please see:
<http://www.greenpower.co.uk/>

By Mr Binstead, TED Technician

F24+ is a national competition for 16-25 year olds. Races are 60 minutes and success is measured by distance covered during that time. Teams accrue points as they race and the final heat at Goodwood is as exciting as any F1 race as the top teams fight it out for points they need to put them on the podium.

SPORTS NEWS

TABLE CRICKET

On Tuesday 3rd February 2015 we took 11 students, making up 2 Table Cricket teams, to represent The Bourne Academy at the Dorset School Games held at QE School, Wimborne.

Table Cricket is a game for everyone to play; young, old, disabled and non-disabled. It is a game played all year round as it can be played indoors, using a table tennis table, with side panels attached. It is played by teams of six players. A plastic ball is bowled by a ball launcher at one end of the pitch, while at the other the batter has a small wooden cricket bat to hit the ball along the table to try to score runs.

The **Bourne Academy B Team** were in a group which the top two teams would go through to a semi-final, however they just missed out on progressing through to the semi-finals.

The **Bourne Academy A Team** played four round robin games winning two games and losing two games; meaning they finished the competition as Bronze medallists and qualifying for the regional finals.

Subsequently, The Bourne Academy A team are now the third best team in Dorset at Table Cricket and will be going on to represent Dorset in the region finals in May 2015 in Exeter!

I was so impressed by the behaviour and effort of both teams, and a special mention of those in the B team, who despite not qualifying to go further in the competition continued to enjoy the day and encourage all the other teams and showed great team spirit!

By Miss Shephard, Learning Support Assistant

Bourne Academy A:

Andrew Burstow Yr9
Ashleigh Sullovan Yr8
Bryanna Douglas Yr8
Jamie White Yr7

GYMNASTICS

Bourne Gymnastics Club is now up and running and being well supported on a Wednesday afternoon. We are making good use of the new gym mats and would like to thank Parent Voice and Mr Peacock/Ace for supporting us in their purchase. It has made a massive difference to the quality of club we can offer having appropriate kit. Watch this space for our first performance.

By Mrs Plunkett, PE Teacher

BUSHCRAFT

OAKHURST FIRST SCHOOL

One day last term, Mr Short, an Outdoor Education teacher from The Bourne Academy, visited Oakhurst First School to teach Bushcraft activities - a first session of six.

A small group of 8 boys ranging in age from 4 to 8 years old were taught about firelighting and safety was clearly a priority and expectations of behaviour were high.

All the children left with beaming smiles! Sensitivity was especially shown towards one child who was afraid of the fire, but by the end of the session he was toasting his own marshmallows!

We are all very much looking forward to the next sessions!

**By Alisa Watson, Class Teacher
Oakhurst Community First School**

YEAR 11 PROGRESS CHAMPIONS

The following students have been nominated by their Head of House for the Year 11 Progress Champion of the month. As such, they were invited to have breakfast with Mr Avoth in his office.

- ◆ Anvil
- ◆ Calshot
- ◆ Eddystone
- ◆ Hurst
- ◆ Kingswear
- ◆ Portland
- ◆ Sovereign
- ◆ Trinity
- ◆ Carys Smith
- ◆ Destiny Shirkhani
- ◆ Marlena Piworowicz
- ◆ Lauren Gale
- ◆ Isabel Noche Gosnold
- ◆ Kurt Scott
- ◆ Victoria Kempton

ARTS, WELLBEING AND ENTERPRISE

PERFORMING ARTS

WE WILL ROCK YOU

ARTS, WELLBEING AND ENTERPRISE

PERFORMING ARTS

'A NIGHT BEFORE CHRISTMAS'

On the 11th December **ignite** Company performed to a group of young children their version of the famous classic Christmas poem 'A Night Before Christmas' at Kinson Hub. It was a very energetic performance where the children joined in with the singing and dancing. The company brought the library to life with fairies, elves and reindeer to excite the audience about the Christmas festival.

ignite

Thank you to the library staff at Kinson Hub in supporting and allowing the students from the Academy the experience to perform and develop an understanding of the early years learning.

DANCE DYNAMIC PERFORMANCE

Year 9 Dancers and **ignite** have begun to create a piece of dance to be performed at The Royal Opera House. The piece is based on dance work created by George Balanchine. Miss Martin had the opportunity to spend the day at The Royal Opera House meeting and working with professional ballet dancers.

This project will allow students to see the ballet being performed live by the company. The trip will take place on the 25th March.

PAVILION DANCE TRIPS

Students at the Academy will have the chance to go and view a number of performances taking place at Pavilion Dance.

The Spring programme of Thursday Night Dance is very exciting and dynamic. See Miss Martin for details if you are interested in attending the trip.

- ***Dreaming in Code* by 2 Faced Dance Company—26 February 2015**
- ***Safe* by ZoieLogic Dance Theatre—5th March 2015**

Origins (Youth Dance Platform)

Dance students at the Academy will be performing on 7th March at Pavilion Dance alongside other Youth Dance companies in the local area. Tickets for this performance can be purchased through Pavilion Dance.

THE ROYAL BALLET SCHOOL TRIP

In January, dance students at the Academy had the opportunity to visit the famous ballet school in Convent Garden.

Students were given a tour of the school and had the opportunity to walk the 'Bridge of Aspiration' which joins the school to the Opera House. The tour allowed

students to have the opportunity to watch professional dancers perform a technique ballet class. Within this demonstration students saw how physically demanding it is for male and female ballet dancers to perform pointe work, pas de deux, and allegro.

It was a wonderful experience with many of our students realising how committed and dedicated they need to be to become a dancer

BTEC PERFORMING ARTS—YEAR 10

Our Year 10 Performing Arts students have been entered into the British Red Cross: Dance Make Your Move Performance that will be taking place at The Point in Eastleigh in June. Students are working on ideas in how to raise funds for the British Red Cross so if anyone would like to support this project please contact Miss Martin.

PERFORMING ARTS

WELCOME TO 2015—A PERFORMING ARTS PRODUCTION

COMMUNICATION AND ENQUIRIES

English Language, Literacy and Enhancement

IGCSE ENGLISH EXAMS

At the end of 2014, Year 11 students at The Bourne Academy sat their English Language GCSE exams with remarkable results.

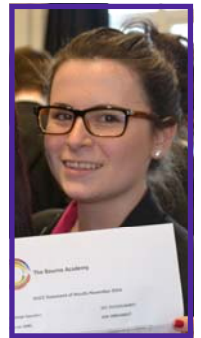

18 students achieved an A/A*, with **83.6%** of the 97 students entered achieving a C or above.

Miss Conway, Head of Specialism/English, said, *"I'm absolutely thrilled by yet another set of outstanding results. Students and staff at The Bourne Academy have worked extremely hard to achieve this success and I couldn't be prouder of them."*

86.9% achieved 3 levels of progress and 56.5% of students achieved 4 levels of progress or more. Incredibly, 14 students achieved 5 levels of progress (against the expected 3) since KS2.

Mr Hayward, Co-ordinator for Disadvantaged Students, was very pleased by yet another significantly reduced gap as it is a testament to just how hard staff and students work to ensure that all students have an equal opportunity to succeed. He commented *"it is a testament to the English department and the Academy as a whole, that over 60% of PP students have already achieved 'expected progress' in English and 40% have already achieved 'outstanding progress' in the subject. This is significantly above national progress and will go a long way to ensuring all students have equal opportunities at the Academy."*

Mr Avoth, Principal of The Bourne Academy is delighted with the achievements. He said, *"These results are fabulous. They are testament to the hard work and dedication of our students and the staff who teach and support them. What is particularly pleasing is, in a climate of "examination and grade turbulence", students and staff at The Bourne Academy have produced some of our best ever English results. Congratulations!"*

COMMUNICATION AND ENQUIRIES

English Language, Literacy and Enhancement

YEAR 7 AUTHORS

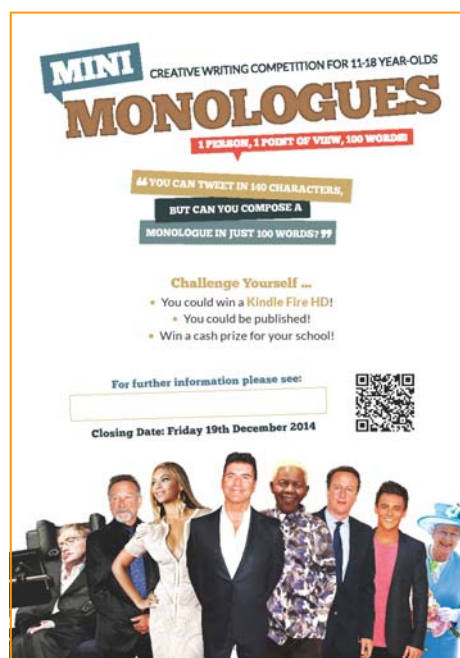

Recently, some Year 7 students from The Bourne Academy entered a Young Writers Competition. They each entered a personnel monologue, which will be printed in the next edition of 'Mini Monologues—South West England'.

The Academy will receive a copy of the book, which will be kept in the Library for everyone to enjoy.

By Mrs Rolfe, Librarian.

Congratulations to our budding authors :

James Ashton, Elloise Sewell, Daisy Elbrow, Rach Innes, Michel Guy, Skye Cole, Lauren Payn, Lewis Kelly, Rebecca McCourt, Elisha Argana, Jack Gauden, Charlotte Oxford, Tatum Hidalgo-Mendelson, Zoe Hidalgo-Mendelson, Bradley Kavanagh, Finn Bolton, Autumn Mansell, Shayla Raney, Abi-Louise Lane, Sebastian Deka, Emily Slater, Shannon Batty, Joshua Varlow, Taylor-Ann Watton, Luke Williams, Rhyan Witherington and Konrad Vos.

A BOOK IS A DREAM YOU HOLD IN YOUR HAND

Book Buzz is a reading programme from a book-trust that supports schools to encourage reading for pleasure, independent choice and develop a whole school reading culture. Every year, the Academy receives free books for the new cohort of Year 7 students.

Mrs Rolfe (The Bourne Academy Librarian) explained, "When students join us in September, they are all given the opportunity to select a book of their choice from Book Buzz. We feel this is a positive introduction to reading and supports the ethos of the school. Students are surprised to receive a free book and will often ask me how long they can keep it for. A gift of a book for a child could be the start of a love of reading forever."

Students look forward to the arrival of their books all term, receiving them in time for the Christmas holidays.

A rewarding experience for both staff and students alike.

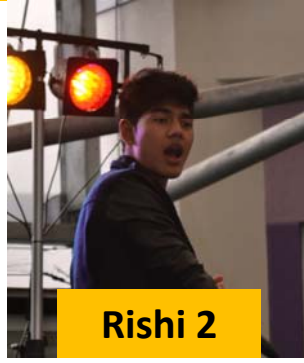

By Mrs Rolfe, Librarian

CAREERS UPDATE

The young people of today are facing a challenging working environment. By 2020 nearly half the workforce will be qualified to degree level or above it is predicted that one third of all young people will be unemployed /under employed by 2018. It is important that young people are making good careers choices to make sure that the industry area they are interested in is likely to be a growing one with lots of opportunities for young people.

In Dorset the picture is brighter with 22,800 new jobs expected to be created by 2020. Areas of growth are in Engineering, Care, Media and The Creative Industries. All subject areas that are offered at our Sixth form will ensure that our students have bright futures ahead of them.

We are working hard to ensure that our students have access to business men and women in a variety of different ways. Sixth form students have been fortunate enough to be mentored by a variety of professionals including; physiotherapists, construction entrepreneurs, graphic designers, barristers, graphic designers and civil engineers. Over half of our current Year 13 group have applied to Higher Education and we look forward to seeing their careers take off and welcoming them back to mentor our students in future.

Young Enterprise business volunteers have also been working hard with 15 Year 9 students to deliver their employability program which focuses on improving confidence, understanding of the world of work and ensuring our students are work ready.

For further information

- ◆ www.nationalcareersservice.direct.gov.uk for national careers information
- ◆ www.dorsetskillshub.com—for employment data for Dorset
- ◆ www.unistats.ac.uk - for the employment prospects of degrees
- ◆ www.ucas.ac.uk—Higher Education fair is held on the 15th April (during the Easter holidays) please register online if you wish to attend. Representatives from the majority of UK universities will be there for you to meet.

Please do contact me should you have any career guidance questions or concerns on 01202 528554 or email me at vicky.woodings@thebourneacademy.com

Meet TYDAL!

or email TYDAL.TBA@gmail.com

Only **£10** per t-shirt.

BOURNE LEADERS

At Christmas, Miss Habgood and The Bourne Leaders were invited to "The Liberal Democrats Annual Dinner Party," at a hotel in Bournemouth. Mr Vince Cable (the current MP/Secretary of State for Business and Innovation) was guest speaker and after a delicious 3 course meal, he gave an assertive speech about the forthcoming policies of the Liberal Democrat Party.

Bravely and confidently, **Maisy Young (Head Girl)** asked the question "Would pupil premium money still be available in the next parliament?" Vince Cable stated he would do his upmost to ensure it was. Here at The Bourne Academy, our achievement gap between free school meal students and those without free school meal status has dropped from 28% to 10%.

Overall the evening was both fun and informative. It gave our students a great opportunity to socialise with many MP's and Councillors, raise questions and network for further work experience.

Miss Habgood, In Charge of Literacy & Teacher of English

JOIN US....

EXAM INVIGILATORS WANTED

Have you got a few hours to spare? We are looking for reliable people who could invigilate exams, particularly during May and June (although opportunities arise throughout the year).

The ideal candidates will have good communication and interpersonal skills with adults and young people, and be able to work in an organised and methodical manner. Full training will be provided. Applicants will be subject to an enhanced DBS check.

RESPONSIBILITIES AND DUTIES INCLUDE:

- Ensuring a calm environment for the students
- Ensuring correct exam procedures are followed
- Dealing with disturbances to the exams
- Distributing and collecting exam scripts
- Hourly Rate £8.35 per hour

For further information, please contact Mrs Wigg at the Academy on 01202 528554 or alternatively email her at corinne.wigg@thebourneacademy.com

THE BOURNE ACADEMY ALUMNI

We are keen to formalise an official Alumni and are planning to launch an Alumni event to bring together all past members of East Howe, Kingsleigh and Kings High here at The Bourne Academy.

We also plan to include regular meetings and newsletter/website entries for the Alumni to get involved with the present day Academy and students.

If you were a member of staff or student and would like to receive further information, please contact Mrs Dawson at the Academy on 01202 528554 or email her at della.dawson@thebourneacademy.com

The Parent Voice Committee members for 2015 are:

- ◇ Linda Krywald - Chair
- ◇ Lisse Burbidge - Vice-Chair and Academy Representative
- ◇ Simone Taghizadeh - Treasurer
- ◇ Mary Landers – Fundraising Lead
- ◇ Linda Bennett – Communications Lead
- ◇ Caroline Gobell—Academy Representative
- ◇ Tom Peacock—Academy Representative

We will be attending all the Parent Consultations over the coming weeks. Please do look out for us and come and have a chat. The dates are:

- ◇ 11 February – Year 9
- ◇ 11 March – Year 8
- ◇ 25 February – Year 12/13 (please note change of date)
- ◇ 13 May - Year 10
- ◇ 24 June – Year 7

We have also set dates for the Parent Voice meetings, please feel free to come along and join in. The meetings will be held at the Academy on the following dates:

- ◇ Thursday 5th March 5.30pm – 7pm
- ◇ Thursday 30th April 5.30pm – 7pm
- ◇ Wednesday 10th June 5.30pm – 7pm

We look forward to seeing you at a forthcoming event, if you require further information please leave a message with the Academy reception or email us at pvt@thebourneacademy.com.

By Linda Krywald, Chair, Parent Voice

- Year 11 Wednesday 28 January 2015
- Year 12/13 Wednesday 25 February 2015 *(Date change)*

In order for the Academy to keep student records up to date, would parents and carers please remember to notify us of any changes at the earliest opportunity, i.e. contact details, mobile numbers, email address, parental responsibility and medical issues.

Please remember to check and sign your child's planner, regularly.
