

Dear Parents / Carers,

May 2019

Key Stage 4 Corbett/CGP Maths Revision Tools

I am delighted to be able to tell you about the revision material that we now have available for you to purchase for your child that will help them with their preparation in the build up to the GCSEs in May/June. The revision cards have proven to **be** very popular with students over the past years and feedback from students has always been very positive.

Corbett Revision Cards – Cost £6.25 (RRP £8.99 plus PP)

There are 90 colourful cards in a set with revision hints on the front. There are two different sets of cards for students preparing for either Foundation or Higher tier exams. On the back of each revision card, students will find three QR codes that link to a revision video explaining how to answer questions, a revision booklet of questions (which are printable) with worked solutions to the booklet questions. They simply require a QR code reader that students can download free from an App store.

CGP Revision Guide and Workbook Cost £5 (RRP £11.90)

As well as the Corbett revision cards I would like to take this opportunity to suggest an excellent revision guide to help support your child's progress in the coming year.

CGP New GCSE Maths Edexcel Revision Guide: Higher - for the Grade 9-1 Course

CGP New GCSE Maths Edexcel Workbook: Higher - Grade 9-1 Course

CGP New GCSE Maths Edexcel Revision Guide: Foundation - Grade 9-1 Course

CGP New GCSE Maths Edexcel Workbook: Foundation - for the Grade 9-1 Course

Buying the revision cards direct from Corbett or CGP, would normally cost £8.99/£11.90 per set plus £2 for postage, but with the discount we are able to secure we can offer the Corbett maths cards to you for £6.25, the CGP revision pack to you for £5.00 or all three for £11.25

Our preferred method of payment is the online payment system, www.scopay.com. If you need to send in cash (correct amount only) or a cheque, please put this into an envelope clearly marked with your child's name.

Please complete and return the attached slip in an envelope with your child's name and 'Maths revision cards' to your child's maths teacher by Thursday 23rd May. We will order them straight away and they will arrive a few days later.

Yours sincerely,

Richard Grinyer
Director of Mathematics
