

THE BOURNE ACADEMY

Ref: VW/Careers

September 2018

Dear Parents/Carers,

This is a very important year for your child with many significant future decisions to be made. As a result, I would like to invite you to attend a parent information session on Tuesday 25 September, 5:00pm-6:00pm, which will focus on university and apprenticeship routes and how you can best support your child with these decisions.

It is important for students to explore all their options and I would encourage them to do as much research as possible. Past students have progressed onto a variety of degrees and apprenticeship routes. Many universities will have open events this term and all university applications must be submitted by the end of this term. Please consult individual university websites for up to date open day and entry requirements.

The Bourne Academy is committed to providing numerous opportunities to support your child’s career decisions. They can seek a careers appointment at any time and you are welcome to attend with them. I will also be present at all year 12 parents’ evenings. Please do not hesitate to contact me if you have any questions regarding careers for your child.

Yours sincerely

Mrs. Vicky Woodings
Careers Leader
