

THE **BOURNE** ACADEMY

18 June 2018

Dear Parent/Carer

Re: ASPIRE DAY Tuesday 10 July 2018

We are pleased to advise you of the plans for the forthcoming ASPIRE day on Tuesday 10 July 2018. The day will be themed around developing student Ambition where students will take part in different activities depending on their year group. Please see table below:

Year 7	Workshops delivered by tomorrows Engineer's on electric cars Maths Magician workshop Subject taster sessions
Year 8	Self-employment hands on workshop delivered by Samee Project and local businesses
Year 9	Bournemouth University visit Elevate Education workshops on study skills
Year 10	Mock Exams and Challenge the Champions and Medical Mavericks sessions

Alongside these year group activities we are delighted to be able to offer selected students a 'Medical Mavericks' workshop where students in Year 9 and Year 10 interested in medical job roles can participate in a session using ultrasound equipment, ECG and pulse monitoring etc.

We are also hosting for Years 7-10 a "Challenge the champions" sports science session where selected students can compare their fitness levels to famous athletes over a series of sports science challenges.

We have tried to offer a variety of activities to appeal to all students and to prepare them to be ambitious learners with the skills and experiences they will need in their future careers.

I am sure you will agree this is a fabulous day and all the activities offered will be delivered free to your child as we have secured additional funding. It is a normal school uniform day however students in the 'Challenge the Champions' session will require their PE kit. Please do contact me if you have any additional questions by email Vicky.woodings@thebourneacademy.com or by phone on 01202 528554.

Yours sincerely

Vicky Woodings & Kelly Franklin
ASPIRE Day Co-Ordinators
