

11th March 2019

Dear Parent/Carer

This year we are excited to be raising money for Comic Relief 2019! As one of the UK's biggest fundraising events, Comic Relief brings the entire nation together to raise cash and change lives.

The Academy will be holding some fun events during Friday 15<sup>th</sup> with both students and staff taking part to raise as much money as possible.

- Student Council will be running a cake sale at break and lunch (please feel free to help buy donating cakes – must be nut free)
- Staff v Student Distance Race – with students and staff taking part in running from 8:20am to 3:20pm to see who can run the furthest distance during the day
- Penalty Shoot out – £1 per go overall winner wins a football
- Soak The Teacher – At lunch, students will be able to pay £1 to throw 3 sponges at teachers

This event will be a non-uniform day for students and staff, with everyone donating £1 per to take part.

We really appreciate your support and hope that with your help we raise lots of money for Comic Relief!

Yours sincerely,

Tom Peacock  
Head of House
