

26 April 2018

Dear Parent / Carer,

Changes to the online payment system (www.scopay.com)

Please be aware that from **30 April 2018** you will not be able to make payments through the Academy's online payment system if you use Microsoft Windows XP or Microsoft Vista on your computer. If you use this system, you will have to upgrade your system to make online payments from this date.

This change is outside of the Academy's control; it is being enforced by the Payment Card Industry Data Security Standard.

If you use either of these systems on your computer, you will still be able to access the online payment system, view the content, but will receive error messages if you attempt to make a payment online.

This change will not affect users who make payments on mobile phones or any other computer system.

We apologise for any inconvenience this might cause, and as this is outside of our control, we are unable to assist with making online payments using Windows XP and Windows Vista from 30 April 2018.

Catherine Turner
Finance Manager

Principal: Mr Mark Avoth
