Dear Parent/Carer

Re Uniform for rest of Summer Term

Weather reports for next week have detailed that we will be experiencing high temperatures of up to 26C. With this in mind, we are allowing students not to wear their jackets for the rest of the summer term. However, students who are cold should continue to wear their jacket and **not** their jumper as this is only an optional uniform item. Students should also ensure their shirts are tucked in at all times.

We would remind parents that it is essential that your child stay hydrated during this warm spell and they should come to school with a bottle of water (fizzy drinks are not permitted and will be confiscated). Water fountains are situated around the Academy and students can re-fill their bottles during break and lunchtime only. They must allow time for this during breaks as they will not be allowed out of lessons to re-fill bottles.

Thank you

Mr M Avoth

Principal: Mr Mark Avoth
