

THE BOURNE ACADEMY

11th January 2023

Dear Parent/Carer

ELEVATE Revision Session – How to support my child

On Monday 30 January the Academy has arranged for a company called ELEVATE to come into school and deliver a session on how to support your child with the lead up to their GCSE exams.

The session will cover 'How best to support your child at home' with useful tips and resources to help you to help your child gain the best possible grades in their exams.

We have used Elevate for several years and have had positive feedback from both parents and students on the support and strategies they offer.

Subject Leads of CORE subjects (English, maths and science) will also be presenting with key information regarding their subjects.

The presentation will run from 6:00pm to 7:30pm in our Sixth Form area and students are also actively encouraged to attend the session.

Please can you email me to confirm your attendance on the evening,

We look forward to welcoming you to the Academy on the 30th January.

Kind regards,
