

15 November 2022

Dear Parent/Carer,

Practical Food lessons

I hope that your child has enjoyed the food lessons they have received so far and will continue to do so throughout the rest of this academic year.

I would like to clarify for you the arrangements we have in place for the provision of ingredients for practical lessons.

Students have a one-hour food lesson every fortnight and will have practical cookery sessions during the majority of these lessons throughout the year.

Rather than ask you to provide the ingredients for the practical lessons, the Academy will purchase all the necessary ingredients for the whole class. This is so that we can reduce waste and keep costs down, as well as giving every student the opportunity to participate in practical work.

However, we would ask that a voluntary contribution towards the cost of the food ingredients of £15.00 for the year is made. This will cover all of your child's ingredients for the planned practical cookery lessons that they have over the year. As you will have already seen, they will bring the food they cook home with them for you to taste as well.

Preferred payment is via the Academy's online payment system (www.scopay.com) and can be found under 'Optional Trips and Events' with the title of Food Ingredients 2022/23. If you are unable to use the online payment system then payment can be made with cash or cheque (made payable to 'The Bourne Academy') and returned to either reception or the Finance Office in an envelope with your child's name on the front.

Thank you for your support.

Yours sincerely

Mrs J Barnett
Subject Lead for Food
