

Year 10 Parent/Carer Information Evening

17 March 2023

Dear Parent/Carer

On Wednesday 22 March our Mental Health Support Teams in School colleagues, Emma and Clare, will be delivering a presentation on how to best support your child's mental and emotional wellbeing. The session will run from 4:30pm-5:30pm for all Year 10 parents and carers.

Emma and Clare will be delivering strategies and top tips on how parents and carers can best support their children as they journey through the remaining time they have in Year 10 and how to ensure a successful transition into Year 11.

Mr Peacock, Head of Year 11, and members of the SEND and pastoral team will all be in attendance to discuss any concerns you may have about your child. We will have a particular focus on improving and maintaining a good level of attendance.

As you know there is a very clear link between attendance and academic achievement. To ensure the best attainment outcomes for your child it is important that their attendance in school be a minimum of 97%.

We look forward to seeing you on Wednesday 22 March, as we continue to work collaboratively for the very best attainment outcomes for your child.

Kind regards,
