

Parent Voice Fundraising Successes

2014 – Rock Challenge

Parent Voice donated £500 to enable students to take part in the 2013 Rock Challenge which is a national school competition. This was an amazing experience for the students.

2011 and 2014 – Two minibuses

Thanks to Parent Voice the Bourne Academy now has two mini buses. One that was completely paid for by Parent Voice in 2011 (as shown in picture) and recently another one, with wheelchair access, towards which the Parent Voice team donated £10,000 pounds and which was further funded by The ValentineTrust, for £5000.

2013 – The Bourne Academy Prom

Parent Voice kindly agreed to help with the 2013 Bourne Academy prom. They donated £500 which helped the students have a fantastic and sophisticated event held at AFC Bournemouth.
