

Dear Parent/Carer,

At the Bourne Academy we are committed to ensuring that all our students achieve the best possible grades. To support this, we will again be running a programme of **compulsory** additional learning and study clubs throughout Year 11.

Naturally, the most important determinant of success will be the **commitment by your child to work really hard over the next year**. We will be pushing hard, and I am sure you will be doing the same. As a result of this, students who are working below their target grade may be placed in **compulsory** additional learning which takes place at the following times:
