

28 August 2020

Dear Parent/Carer,

As you may be aware, earlier this week the government changed their advice surrounding the wearing of face masks in school. Previously they had said that the wearing of masks should not be necessary in any school. This has now been updated and the Department for Education has stated;

“Nationwide, while the government is not recommending face coverings are necessary, schools will have the discretion to require face coverings in communal areas if they believe that is right in their particular circumstances.

In addition, the government will advise additional measures are taken in areas where the transmission of the virus is high. In these areas, defined as areas of national government intervention as [listed on gov.uk](#), the government’s guidance will state face coverings should be worn by adults and pupils in secondary schools when moving around the school, such as in corridors and communal areas where social distancing is difficult to maintain. It will not be necessary to wear face coverings in the classroom, where protective measures already mean the risks are lower, and where they can inhibit learning.”

Our local area has an incredibly low rate of Covid 19 infection and transmission and as a school we have taken a number of precautions to minimise any risk, as outlined in my previous correspondence to you and available on our website. Therefore, our ability to maintain social distancing outside of the classroom is excellent.

However, I absolutely recognise that some students will feel more comfortable wearing a face mask in corridors and communal areas, and we are happy for them to do so. Please note masks must be plain in appearance, no logos or motifs, and must be worn appropriately and sensibly. Single use face masks must be disposed of appropriately. Any student intentionally misusing a mask will be asked to remove it. As per government guidance, students will not be permitted to wear face masks in classrooms.

We will review this decision in light of any updated government guidance and any changes in the local situation.

Kind regards

**Mr M Avoth**
