Dear Parents/Carers,

We have received a few emails regarding our full return in September. As I am sure you would all agree, it is important that students return to school and form good routines as soon as possible. We have had some questions with regard to uniform, therefore, please see below a Government “need to know” guide for parents/carers. There is a section on uniform which I have extracted – see italics below. Furthermore, in the full guidance document, there are also sections on attendance and the curriculum.

Uniform

It is up to schools to decide their own uniform policy. Some schools may have relaxed their uniform policy while only certain groups of pupils were attending before the summer holidays.

We are, however, encouraging all schools to return to their usual uniform policies in the autumn term. Uniforms do not need to be cleaned any more often than usual, or in any different way to normal due to coronavirus (COVID-19).

The full guidance is below:

Kind regards
