

30 March 2020

Dear Parent/Carer,

We regret to inform you that we have taken the decision to cancel Year 10 Work Experience next term, due to the situation with Coronavirus. This was due to take place the week commencing Monday 27 April. Thanks once again for your continuing support. We will make further decisions on work experience once the national situation around isolation and social-distancing becomes clearer.

Kind regards

**Ashley St John**  
**Vice Principal**
