

10 June 2020

Dear Year 12 students & Parent/Carer,

As I informed you in my update last week, I am writing to you with the arrangements and timetables for your online subject support sessions (see timetable below). These sessions will commence on Monday 15 June and run until the end of the Summer Term. Please read the Microsoft Teams Guidance carefully as well as the Students Behaviour Guide for Online Meetings. Please do not forget that you can book a 15 minute face to face appointment on any Friday (abiding by social distancing measures) with Mr Taafe or Mrs Woodings to discuss any aspect of your studies or support for further or higher education. If students wish to book an appointment with either staff member then please contact them direct on dean.taafe@thebourneacademy or vicky.woodings@thebourneacademy.com.

If you are unable to access your timetabled lessons then please communicate with your teacher through Show My Homework, Google Classroom or email. If for any reason the timetabled sessions cannot take place (eg due to staff illness) this will be communicated to students and parents/carers.

This new system will no doubt take some getting used to, but we are sure that with time it will become familiar and be a powerful tool to support you during the Academy closure and beyond.

Students and parents/carers should be aware that all lessons and interactions within the program/app are recorded. Any misbehaviour or misuse of the system will be followed up and may result in removal from the Online Subject Support Group.

Thank you once again for your continued support and understanding in this very challenging time.
