Dear Year 10 and Year 12 Parents/Carers

Re: Recent government announcement

We have been advised that secondary schools may be able to allow Year 10 and 12 students to attend school before the summer holidays. This is very much dependent on scientific advice and Government guidelines and the decision, as such, will be reviewed in early June.

If we are indeed able to allow Year 10 and 12 to return, we will put measures in place to minimise contact between students and to protect staff - the health and safety of students, staff and families is paramount at all times. Full details on that will follow once we have had the chance to fully risk assess the proposed return. It is likely to include a full programme of cleaning, division of the indoor spaces, hand washing on a regular basis, the use of “social bubbles” to minimise contact between students, a rota for outdoor social time, staggered pick-up and drop off times and a number of other measures. The Academy grounds will, of course, be used to maximum effect.

To assist us with our planning, we need to understand whether it is your intention for your child to return during summer term 2, should that possibility arise, and what your views are on the current situation.

Please could we therefore ask you to complete and return the following Survey Form by Friday 22nd May, by following the link below?

Just to be aware, we are highly unlikely to be able to offer a whole school day, or even daily contact time, but we are hopeful to be able to offer some time on site for all students in these year groups before the summer holidays.

Additional Question: <https://www.surveymonkey.co.uk/r/YR7XDHK>

I look forward to hearing from you.

Yours sincerely,

Mr Avoth
Principal
