

LAMDA is one of the UK's oldest and most respected awarding bodies. We have been offering practical examinations in communication and performance subjects for over 130 years. In this time, our qualifications have helped hundreds of thousands of candidates of all ages and abilities to develop lifelong skills.

LAMDA exams are about achievement – recognising and rewarding the endeavours of each individual – but they are also about empowerment. Our ultimate aim is to provide all people with the opportunity to develop the life skills they need to be a success: attributes such as self-confidence and the ability to communicate clearly and present ideas.

At the heart of LAMDA examinations is the recognition that our qualifications are for everyone. Across the globe, our examinations unite learners of all ages, abilities, backgrounds and cultures in enthusiasm for the English language and a desire to develop skills for life.
