

4 September 2020

Dear Parent/Carer,

An email with the information regarding food provision will be coming out via email later today. This will contain information about purchasing school meals at the Academy and details on how to use the new pre-order app.

At this time, we would like to reassure you that on Monday and Tuesday your child will be able to still purchase food directly from the school canteen (using cash if you have not yet set up the online payment account); this includes students eligible for free school meals. From Wednesday 9th September onwards, students will be using the pre-order app to buy their meals, if they have not brought in their own packed lunch.

Kind regards

Catherine Turner

Business Director

Principal: Mr Mark Avoth
