How do I choose my activities?

There's loads to choose from — most activities can count towards your DofE.

Maybe you want to try something new? Or get better at something you already do? Your DofE can be whatever you want it to be.

Activities for each section take a minimum of one hour a week over a set period of time, so they can fit in around your studies and life outside school.

Gold (age 16+)	Volunteering 12 months	Physical 12 or 6 months	Skills 12 or 6 months	Expedition 4 days 3 nights	Residential 5 days 4 nights
	Physical and Skills sections: one section for 12 months and the other section for 6 months				
If you didn't do Silver, you must do a further 6 months in either the Volunteering or the longer of the Physical or Skills sections.

Volunteering

Volunteering's all about taking action and making a difference to other people's lives.

Maybe you're interested in animals or tackling climate change? Or you want to raise money for a cause that means a lot to you?

From coaching a local football team or collecting for a foodbank to starting a campaign, you'll give up your time to help others and change things for the better.

It's extremely rewarding, grows your confidence and independence — and can give you the chance to experience the world of work too.

Physical

The Physical section is a chance for you to focus on your health and fitness and have fun along the way.

Try something completely different or concentrate on something you already do, as long as it requires a continuous level of energy and physical activity.

From yoga to going to the gym, skateboarding to wheelchair tennis — almost any dance, sport or fitness activity can count.

And doing more physical activity can give your mental health a great boost too.

You can decide to join a team or do it on your own — it's up to you.

GOLD

Skills

From coding to cookery, photography to driving – the Skills section lets you learn a new talent, develop existing skills and find something you enjoy doing discover new things you love.

By developing practical and social skills and gaining interests and talents, you'll enjoy yourself and get a real sense of achievement.

If you're interested in a specific field, this could be the perfect chance for you to do something related to it. So, if you're interested in photography, you could do it as your skill.

You'll grow your confidence and show you're committed, motivated and can rise to a challenge.

GOLD

Expedition

Getting into the great outdoors and spending a night away with your friends – your expedition will give you lifelong memories.

As part of a small team, you'll plan your aim, choose your location and do some training to make sure you're prepared and know what you're doing — then spend four days and three nights away.

You can choose how you want to travel – it doesn't have to be on foot. You could do it by paddleboard!

Your expedition will improve your resilience, communication, teamwork and leadership skills.

You'll come home with a rucksack full of washing — and an experience you won't forget.

GOLD

Residential

To achieve your Gold Award, you need to complete an extra section – the Residential.

It's a big, exciting and fulfilling experience, spending five days and four nights away from home on a shared activity with people you've never met before.

From learning to snowboard in Scotland to helping at a children's camp, there are lots of exciting possibilities to get involved with — both in the UK and abroad.

You'll learn how to work with people from different backgrounds and build confidence staying in new environments.

You may want to build on a talent you've developed in another section, learn something completely new on an intensive course or do something to help others.

Why do your DofE?

The COVID-19 outbreak won't stop you doing your DofE – far from it.

In fact, the DofE can help you navigate your 'new normal', expand your world and give you skills and experiences that can open doors in the future.

You get to choose and change your own activities, so you can pick ones that are easy to do safely under social distancing guidelines or from home.

There are flexible ways to run expeditions so – when it's safe to do so and Government guidelines allow – you can do yours, with all the benefits and memories you'd get at any other time.

The DofE Certificate of Achievement

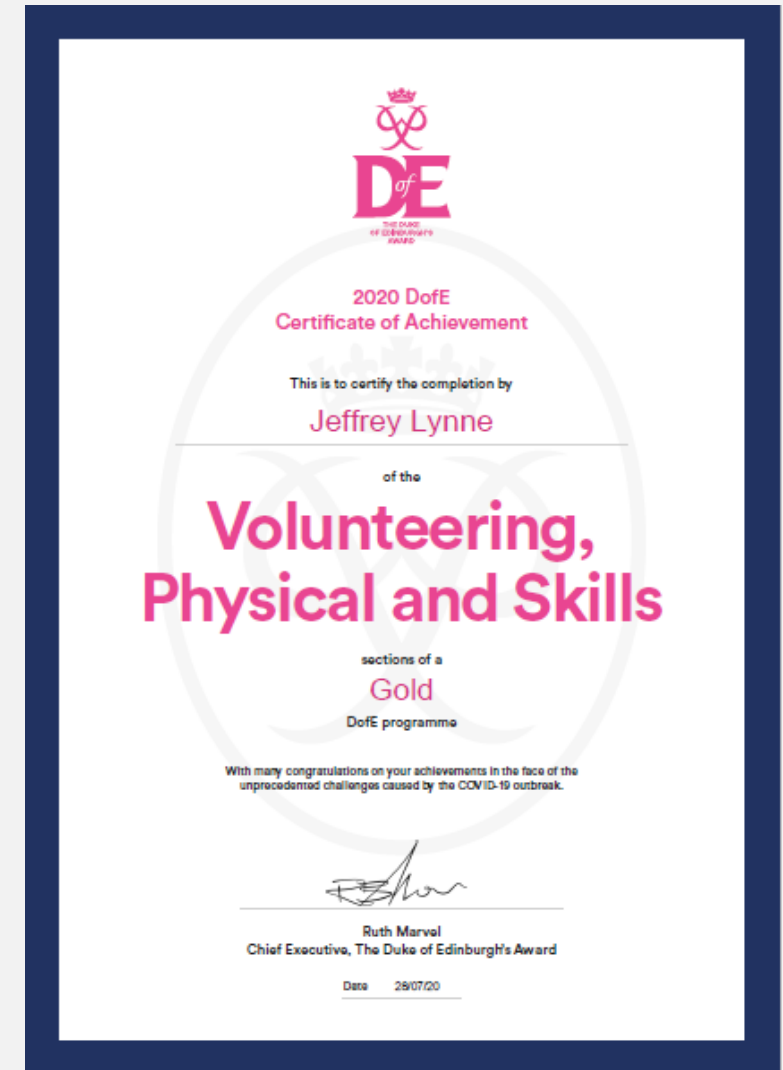

During and in the aftermath of the COVID-19 outbreak, participants who complete their Skills, Volunteering and Physical sections will receive a special DofE Certificate of Achievement.

This is a formal recognition, by the DofE, of the effort, skill and commitment you've shown at this extraordinary time.

The Certificate can act as a talking point on your CV or in your personal statement and help you stand out.

And you can still do your expedition and residential and achieve your Gold DofE Award.

GOLD

Your Welcome Pack and eDofE
