Dear Parent/Carer

Year 10 BTEC Level 2 Award in Skills and Activities for Sport and Active Leisure Outdoor Education

I am delighted that your child is continuing with the BTEC Level 2 Extended Certificate in Outdoor Education course. Please take time to read in detail the following letter which should give you a clear insight into the course and how it is run this year.

Each student will undertake 3 units, the units covered are as follows:

Outdoor & Adventurous Activities: This unit is run in Y11 and develops knowledge and skills in a range of outdoor sports, including Rock Climbing, Orienteering, Kayaking, Paddle boarding, Bushcraft, Mountain Biking and many others.

Expedition Experience: This unit is run in Y9 and 10 and teaches about expeditions and develops the skills needed to complete one. An expedition will then be undertaken in a location planned by the group. Duke of Edinburgh's award at silver level must be achieved in this unit.

Practical Sailing Skills: This unit is run in Y10 and 11 and enables students to practice and develop skills in a sail craft, giving learners practical experience of planning, participating in and reviewing sessions on the water. Levelled RYA (Royal Yacht Association) instruction will be delivered and qualifications are available as part of this unit.

This BTEC Award is a vocational course therefore we would like to offer the students a chance to gain real life qualifications and certificates that they can take away with them on completion of Year 11. Most of these qualifications do incur additional costs but would prove invaluable to your child and are a vital for the course. These costs include NGB registration and campsite fees and the use of external activity centres with additional qualified instructors. The Academy is not making any profit from these costs. The money goes straight to the Activity Centres and National Governing Bodies. We have tried to keep the cost down to an absolute minimum and each activity has been heavily subsidised by The Bourne Academy. The full cost to complete all aspects of the course is £530.00 and can be paid in instalments (please see over the page for further information on prices) during these COVID times.

As expected, students will be spending a lot of time outdoors, exposed to the elements. We would like to ensure that every student is properly equipped for all weather conditions. The below is a list of clothing/equipment that we would advise students to have on top of normal Bourne Academy PE kit:

- Waterproof jacket and trousers
- Mid layer or fleece
- Tracksuit bottoms or leggings

All of the above are available for purchase from our uniform suppliers, however plain black under layers will be accepted. It is expected that all students have a pair of walking boots (or other suitable footwear) for their expeditions and a pair of wet shoes (can be old trainers) for water sports sessions.

Each student will be loaned their own wetsuit, buoyancy aid, helmet and climbing harness to be used on practical sessions.

Practical sessions will take place on a **Tuesday Week B** leaving during lesson period 5 and arriving back afterschool hours most weeks, approx. 4.30-5pm. Please avoid booking any medical appointments, meetings or anything else on a Tuesday afternoon that will involve your child being unable to attend their practical session. If students do not attend all of the practical sessions, they may not complete the required amount of training to achieve the certificate and you may be charged for the missed session. Below is a list of qualifications that will be undertaken as a part of the BTEC Outdoor education which incur an additional cost as a result of additional instructors, sign up fees and certification:

- RYA Level 1 or 2 in Sailing (level dependent on child's ability) - £120.00
- First Aid Certificate - £65.00
- Silver Duke of Edinburgh Award - £220
- Paddle board sessions £30
- Indoor Climbing sessions – £30
- Mountain biking - £50
- OdE Hoodie - £15

The total cost is £530 and payments can be made through instalments spread throughout the two years over which these courses take place as detailed below:

Date	Amount	Date	Amount
30 September 2020	£35.30	31 July 2021	£35.30
