# Teaching and Learning

You will continue to access remote learning via Show My Homework. All assignments will be placed on Show My Homework to ensure your parents/carers can monitor your contribution.

You should email [onlinelearningsupport@thebourneacademy.com](mailto:onlinelearningsupport@thebourneacademy.com) if you need some help with SMHW

- Your teachers will only set work for the day you are timetabled for that subject.
- Your teachers will be available to their classes via the SMHW 'Make a comment' box during your lesson time.
- Where relevant, you are expected to submit your work (photos are fine) via the SMHW 'Make a Comment' box by the deadline given.
- **Wherever possible**, we will set you 'live' lessons from the Oak National Academy or Greenshaw Learning Trust.

You are all being set the links to the GLT reading programme on YouTube.

# Teaching and Learning from Monday 18 January

Years 10 along with 11, 12 & 13 students will all be taught remotely via live MS Teams lessons.

You can find the guides to use MS Teams on the website. You should email [onlinelearningsupport@thebourneacademy.com](mailto:onlinelearningsupport@thebourneacademy.com) if you need some help with this.

Your teachers will aim for 25-35 minutes of direct input i.e., explanations instructions, discussion and checks for understanding then setting tasks to complete.

**Timings are flexible depending on what you are delivering.**

Your teachers will still post resources in SMHW. You can communicate with your teachers via the chat facility on Teams or in the 'Make a Comment' facility on SMHW or via email.

Your teachers will not set you additional homework but might set enrichment/extension activities. E.g., watch a documentary, do some research.
