

23 October 2020

Dear Parent/Carer,

Thank you to all those who were able to attend the Year 11 parent tutor consultation that took place virtually on Wednesday. Hopefully you had an opportunity to not only speak with your child's tutor, but also to watch the presentation given by Mr Peacock and myself with regards to how the school is preparing each child for success in their examinations. This also provides key information with regards to the changes that the Government have made to examinations and advises how you can support your child. If you were unable to watch the presentation on the evening, then it will remain available on the website for viewing at a convenient time for you.

In the presentation you will have learnt that mock examinations will be taking place for Year 11 students in January. It is important that students are fully prepared for these assessments. This will help them identify what their strengths are and the skills/topics they still need to work on in preparation for their summer examinations. To ensure students are prepared for the examinations, the Academy is offering a number of revision sessions in the lead up to the mock examinations. These sessions are being offered at weekends to help prepare students for success. I have attached a copy of the revision session timetable to this letter and students will also be given a copy. The timetable clearly identifies which classes or groups of students are invited to a session and teachers will also ensure students are reminded in advance.

The sessions we are offering are not mandatory, however, we would encourage students that are invited to attend, to ensure they make the best progress they can. The more preparation that students complete early on in Year 11 the more confident they are going in to both their mocks and their summer examinations.

Should you have any queries regarding the revision sessions we are offering, please contact the Academy. Queries around specific subject revision sessions should be directed to the subject specific teacher. If your query is a generic one, then please contact tracie.deane@thebourneacademy.com or tom.peacock@thebourneacademy.com

Yours faithfully,

Mrs T Deane
Assistant Principal
