

20 January 2021

Dear Parents/Carer,

As I promised, we are constantly reviewing our practices and processes for online learning. We have a number of GCSE subjects for which neither Oak National Academy nor Greenshaw Learning Trust have designed an online curriculum. In consultation with Subject Leads, we have been able to identify subjects that need a weekly tutorial with their Year 9 classes to clarify misconceptions and deliver new material. In addition to this weekly live tutorial, students will continue to have learning set via Show My Homework.

We will aim for this weekly tutorial to start on Monday 25 January. This is Week B on your child's timetable. Please see the overview of subject delivery below.

If your child is struggling in-between their live tutorials, for whatever reason, they must communicate directly with their teacher. They can do this via the chat button in Microsoft Teams, the 'Add a Comment' button on Show My Homework or through our normal Academy communication procedures. All guides for using Microsoft Teams can be found here [The Bourne Academy - Remote & Home learning](#)

Thank you for your ongoing support.

Yours sincerely
