Year 7, 8 and Sixth Form will have their Test 2 during the morning of the usual school day (school uniform to be worn).

Arrival and Entrance

Please ensure that students arrive promptly to help us with the smooth running of the tests. Students are asked to enter the Academy via the main entrance and go straight to the Lawn to be registered for their test. Please note that uniform is not required to be worn when attending the Academy solely for the test, but **face masks will be required to be worn in the Testing Centre.**

Students are expected to be onsite for approximately 15-30 minutes.

Please note that the lateral flow testing is for people with no symptoms. If your child is displaying COVID symptoms, they should not attend site but self-isolate immediately and book a COVID PCR test.

Obtaining Test results

If a student tests positive, contact will be made within an hour of the test being taken. If the test is negative then you should receive an email and test message from the NHS near the end of the day.

Students who have tested positive for Covid-19 (using a PCR) test in the last 90 days are exempt from the lateral flow testing.

Yours sincerely
