

FINAL LOCKDOWN BULLETIN - 5 MARCH

MESSAGE FROM THE PRINCIPAL

I am sure the news of a full return to school has been welcomed by you all as much as it has been by students, and staff alike. It is going to be brilliant to see all your children next week, whether it is for testing or the restart of face-to-face lessons on Thursday 11 March. I would like to take this opportunity to thank you for your support since January whilst students have been learning from home. You have done a fabulous job, well done. It is so important to get students back into school before the Easter holidays so that we can continue to build the momentum of the school year and return to some normality after such a long time away.

We look forward to welcoming students back to the Academy and, once again, thank you again for everything you have been doing to encourage and support learning from home.
