

### **Special arrangements in relation to COVID-19.**

Following the closure of schools from the 23rd March 2020 Government guidelines stated:

*Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care (EHC) plans.*

Those with an EHC plan should be risk-assessed by their school in consultation with the local authority (LA) and parents, to decide whether they need to continue to be offered a school or college place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. Many children and young people with EHC plans can safely remain at home.

In order to ensure that our pupils with EHC plans are supported we have consulted families and carers with regards to whether or not their child needs to attend school. We have ensured that the expectations for work being done at home is understood and that pupils can access the work being set by school staff. As a school we are undertaking check ins to ensure that pupils outcomes are kept at the forefront and that their emotional needs are being met. Work set by class teachers takes in to account the needs of the pupils in their classes and is open-ended in nature to allow pupils to engage with and further their own learning.

Parents of SEND pupils may require our support at this time and the messaging facility on Show My Homework or email can be had between Head of House/ Head of Year and SENDCO. The SENCO's can be reached at [Nicola.al-jassar@Thebourneacademy.com](mailto:Nicola.al-jassar@Thebourneacademy.com) (Year 9 to Year 13) or [Hayley.betteridge@Thebourneacademy.com](mailto:Hayley.betteridge@Thebourneacademy.com) (Year 7 and Year 8)

Resources that support our pupils' emotional and social development during this unprecedented time will be made available to students, we are also working alongside other external agencies to make sure the highest level of support can be given to our students.
