

**March 2021**

Dear New Student,

Congratulations on being offered a secondary place at The Bourne Academy for September 2021. We are delighted you will be joining as a Year 7 student and that you are continuing your educational journey with us.

Every day here is a learning adventure for us all. Learning is a journey involving making choices and making mistakes. It is the discovery of new ideas and new answers. At The Bourne Academy we encourage all of our students to be Ambitious, Self-Confident, Physically Literate, Independent, Resilient and Emotionally Literate. We all treat each other with respect, and celebrate everyone's successes – whatever that may be.

In the next few weeks, we will be sending you a Welcome Booklet, which contains all sorts of information about being a student at The Bourne Academy. We will do our utmost to make your transition from primary school to secondary school as easy as possible.

We are very hopeful that we will be able to meet you in early July for the normal Transition Day – this will depend on Government guidelines on social distancing, but we'll be sure to keep in touch regularly before then (details of Transition Day will follow in due course).

I am confident you will have many happy years as a student at the Academy.

Yours Sincerely,
