Dear Parent/Carer

Dr Bike's free bike safety check!

As part of the Sustrans 'Bike It Plus' project at The Bourne Academy, on Monday 14 June I will be running a Dr Bike session where all bikes will receive a free safety check. This is available to all students, parents and school staff who cycle to school on the day. I will prioritise the students' bikes first, then move on to the adult bikes. I will also check over scooters if there is time.

I will perform the safety check, and may be able to do minor repairs so that your bike will run more smoothly. Please note that where the bike or parts are in bad condition or of poor quality, I am unlikely to attempt repairs as this could lead to further damage and instead I will advise of the best action to take.

Don't miss out on this great opportunity to get your bike checked.

Kind regards,

Amanda Shorey
Sustrans 'Bike It' Officer for Bournemouth, Christchurch and Poole
