

25 March 2021

Dear Parents/Carers,

The Government has now advised us that they would like students and staff to continue home testing twice a week during the Easter holidays and into the start of the summer term. We are therefore asking the following:

- That students continue self-testing at home twice a week throughout the Easter holidays. Please do this on Wednesday and Sunday evenings each week
- That the test result is reported to both the NHS Track and Trace service and the Academy
- That students test before returning to the Academy for the summer term (evening of Sunday 18th April) and report the results.

Further information about home testing and how to report the results can be found on the Academy's website: [The Bourne Academy - Home Testing](#)

To enable testing over the Easter holidays, further home test kits will be distributed to students, for whom we received consent to test, during the final week of term (week commencing Monday 29th March).

If any parent who did not provide consent for their child to be tested on the Academy site, but would now like their child to receive home test kits, please contact covid19@thebourneacademy.com and we will arrange for this to happen.

Kind regards

Catherine Turner
Business Director

Principal: Mr Mark Avoth
