Dear Parents/Carers,

RE: Virtual Journey to Osiligi Obaya, Kenya

We wanted to provide you with an update on our virtual journey to our partner school in Kenya. So far staff and students have travelled and submitted over 3188 miles taking us over halfway, with our 6040 mile target.

Thank you to everyone for contributing to this challenge so far, you have been brilliant!

We still have a long way to go, if your child wishes to take part, please ask them to record the following information and send via email to Miss Holden: gemma.holden@thebourneacademy.com

- Mode of transport
- Mileage
- Any photos or videos you are happy to share.

Badges and House points will be issued to every student taking part and prizes will be awarded in the following categories:

- Funniest fancy dress
- Most unusual mode of travel
- Best group effort – either distance or innovation
- Funniest anecdote
- Longest collective distance travelled by a TBA House.

Kind regards
