

'Steps to ASPIRE' Competency Task 3: PHYSICALLY LITERATE

Task: My journey to The Bourne Academy

It is important that your journey to and from the Academy is rehearsed so you are confident with your daily routine. You may wish to practice the quickest, safest route, or find a route where you can meet some friends on the way. By navigating your journey to and from The Academy, you will become more **Physically Literate**. Go to the transition 'confirmed place' page on the Academy website, to find a link to an online form with questions about your journey. You will be asked to travel to the Academy and upload a photo of yourself outside The Bourne Academy main gates, with your chosen mode of travel (e.g. your bike or scooter – remember to be safe and wear a helmet).

Please return your PHYSICALLY LITERATE task by:

Completing the online form, and upload a photo of yourself standing outside The Bourne Academy entrance gates (found on the school website transition page).
