

Dear Parent/Carer,

13th December 2023

Year 11 Mock results and CORE subject exam support

As we approach a crucial phase in your child's academic journey, I am writing to inform you about an upcoming event that will provide strategies to support Year 11 in the lead up to their GCSE examinations and to collect their mock exam results.

I want to express my gratitude for the dedication students demonstrated during their mock examinations. I was incredibly proud of how they conducted themselves during this process. This reflects their determination to succeed. We understand that this period can be both challenging and demanding, and we are here to support both you and your child every step of the way.

We would like to invite all parents and carers to the Academy on Wednesday 10 January 2024, starting at 6pm. Heads of Department in core subjects will share valuable insights in to how you can actively support your child effectively in the lead up to the summer exams. Following the presentation students will be able to collect their mock exam results. Your participation in this event is crucial, and we believe that the information shared will be instrumental in enhancing your child's preparation for the upcoming examinations.

To ensure a focused and conducive environment for discussions, we kindly request that only parents and Year 11 students attend this event. Unfortunately, we are unable to accommodate siblings on this occasion.

During the process of GCSE mocks, we have endeavoured to emulate everything that will be in place in the summer exams, including the way in which results are distributed. This helps students to understand the process, ensuring that the exams in the summer are as smooth as possible. Each student will be given a sealed envelope containing their mock results at the end of the presentation and it would be fantastic for parents to be part of the support and celebration of the hard work they have put in.

Please be aware that we can only provide the results to the student, therefore they need to be in attendance at the event. Should a student not be able to attend the event, then the results will be posted home. The same restrictions apply for the actual GCSE results in the Summer.

Thank you for your continued support. We look forward to seeing you on Wednesday 10 January 2024.

Kind regards,

Tom Peacock
Head of Year 11

Principal: Mr Mark Avoth
