

Dorset School Age Immunisations Service

Kings Park Hospital
Gloucester Rd
Boscombe
Bournemouth
BH7 6JF

Dear Parent/Guardian

Your child's teenage immunisations are now due for children in Year 9, with catch ups being offered to students in the other years who have not previously had the immunisations. This is free from the NHS.

We are pleased to confirm that the teenage immunisations will be offered in schools this term to help protect your child.

Session details:

School	The Bourne Academy
Date of session	8th June 2026
School / LEA Code	DT136125
Deadline for completing the online consent form:	3rd June 2026
Link for accessing the online consent form	https://www.schoolimmunisation.dhc.nhs.uk/Forms/DTP

Please click on the link above to complete the online consent form. If you miss the deadline, you can still complete a form but will be offered an appointment for a catch-up clinic at a community venue.

If your child is unable to receive the vaccination at the school session, you will be able to book an appointment at one of our clinics. Please continue to check regularly as clinics will be added throughout the Programme.

We strongly recommend clicking on the below links which will provide information relating to the immunisations.

- www.dorsethealthcare.nhs.uk/schoolageimms
- <https://www.nhs.uk/conditions/vaccinations/3-in-1-teenage-booster/>
- <https://www.nhs.uk/conditions/vaccinations/men-acwy-vaccine/>

If you do not wish for your child to receive the vaccination, please complete a NO CONSENT so that we do not contact you regarding the teenage vaccinations this season.

Is your child up to date with their MMR vaccine? We can also offer this vaccine if your child has never had the MMR or has an incomplete course. Contact the team to arrange.

Yours faithfully

Dorset Community Vaccination Service
