

Satchel One: A fantastic way to record, track and monitor homework at The Bourne Academy.

We will continue to use 'Satchel One', previously known as 'Show My Homework', the online tool to help you keep track of your child's homework. Satchel One is extremely useful, allowing you to see the details of the tasks your child has been set, all their deadlines and their submission status and grades. This system gives you greater visibility into the homework we set and empowers you to support your child with managing their time to meet deadlines.

If your child is in Year 7, you will be provided with login details to your personal account, which is linked to your child's homework calendar, where you will be able to see your child's 'To-do List' and any homework that is overdue. These logins will be sent out in towards the start of the academic year, after launching Satchel One with Year 7. In the meantime, your child should be able to login to their account to show you any homework that has been set.

Satchel One allows:

- 24/7 access
- Viewing the quality and quantity of homework set
- Translation into over 50 languages
- Apps available for iPhone, iPad, iPod Touch and Android devices
- Receiving of automated notifications before homework is due.

We will be launching Satchel One this week with Year 7 students. In the interim, the form below shows how a student can login via the Satchel One website [Satchel One | Login](#)

www.satchelone.com/login

user number

____@thebourneacademy.com

Or log in with:

- Sign in with Office 365
- Sign in with Google
- Sign in with RM Unify

The login form includes the following elements: a 'Login' header with a 'Forgot password?' link; three tabs for 'Staff', 'Parent', and 'Student'; a 'Search school' field; an 'Enter email address or username' field; an 'Enter password' field with a visibility toggle; a blue 'Log in' button; and a section for alternative login methods: 'Or log in with:' followed by 'Sign in with Office 365', 'Sign in with Google', and 'Sign in with RM Unify'.

We hope that this service will provide you with a deeper insight into the homework your child receives. More importantly, we hope that it will support your child's organisation, time-management and help them to keep on top of their workload.

To keep up to date please download the Satchel One app once you receive your login details, you will then be sent push notifications to let you know what homework is due. You will also be notified of grades, overdue homework and announcements/events.

If you or your child have any questions about the service, please do not hesitate to get in touch with the team at Satchel One, who are always happy to help. Just call 0207 197 9550.

If you would like to get in touch with the school or provide feedback, please contact the IT team at Support@thebourneacademy.com
