

11 February 2026

Dear Parents/Carers,

We are writing to remind you that spray (aerosol) deodorants are not permitted in the Academy.

This is in force for health and safety reasons. Aerosol sprays can trigger asthma and other respiratory conditions, and their use can also result in alarms being activated, causing unnecessary disruption and potential safety concerns within the Academy.

Students are welcome to bring and use non-spray alternatives, such as:

- Stick deodorants
- Roll-on deodorants
- Cream deodorants

These options are safe to use and do not pose the same risks as aerosol products.

We kindly ask for your support in ensuring that your child does not bring spray deodorants into the Academy. Any aerosol products brought into the Academy will be confiscated and students will be sanctioned in line with our behaviour policy, including suspension/ban from attending events like the Prom or school trips.

Thank you for your cooperation in helping us maintain a safe environment for all students.

Yours sincerely,

The Bourne Academy

Principal: Mr Mark Avoth
