If you can't select a time slot, it means the staff member has not been given a period of availability - **get in touch with your school** and ask them to add this into their setup to enable you to book a slot.

If your school is running Guardian Consultations (parent's evenings) and has enabled you to book, you'll be able to select a time through the Parent Portal or Parent App.

On the Parent Portal

On the Parent App

You'll see on your homepage whether there is an upcoming Guardian Consultation.

In the case where no Parents Evening has been arranged, the section will state the below:

If a Consultation event has been created but the self-scheduling has **not** yet been enabled by the School yet, the dates of the parents evening will be shown with a note of when self-scheduling is available.
