Dear Parent/Guardian

**Your child's HPV immunisation is now due for children in Year 8, with catch ups being offered to students in the other years who have not previously had the immunisations. This is free from the NHS.**

We are pleased to confirm that the HPV immunisation will be offered in schools this term to help protect your child.

Session details:

School	<b>The Bourne Academy</b>
Date of session	<b>8<sup>th</sup> June 2026</b>
School / LEA Code	<b>DT136125</b>
Deadline for completing the online consent form:	<b>3<sup>rd</sup> June 2026</b>
Link for accessing the online consent form	<a href="https://www.schoolimmunisation.dhc.nhs.uk/Forms/HPV">https://www.schoolimmunisation.dhc.nhs.uk/Forms/HPV</a>

Please click on the link above to complete the online consent form. If you miss the deadline, you can still complete a form but will be offered an appointment for a catch-up clinic at a community venue.

If your child is unable to receive the vaccination at the school session, you will be able to book an appointment at one of our clinics. Please continue to check regularly as clinics will be added throughout the Programme.

**We strongly recommend clicking on the below links which will provide information relating to the immunisation.**

If you have indicated that you wish for your child to receive the immunisations and we are due to conduct vaccinations across multiple days, then they will be vaccinated on one of these days. If you do not wish for your child to receive the vaccination, please complete a NO CONSENT so that we do not contact you regarding the HPV vaccination this season.

**Yours faithfully**
