Good luck to Year 11 Students

Through the ASPIRE program, the Academy has encouraged every student to meet and exceed their personal expectations of their abilities and to succeed in a variety of Aspirational Skills – from being physically and emotionally literate, to self confidence and the ability to reflect on their choices or learn independently. These skills are vital in order to be successful in every career path or vocation. Every single student in the current Year 11 cohort has met these challenges and is moving on to either further education at a Sixth Form or College of their choice, an Apprenticeship or some other form of work experience. With the help of Lizzie Jones (*see page 5*), Eddystone Head of House Vicky Woodings and Francis Mitchell, our Connexions link, the Academy is proud to present the future destinations and choices of all of our current Year 11 cohort. From Bournemouth and Poole to Swindon and Reading, Year 11 are spreading their wings and are ready to live their dreams.

Miss Boxer

'RECONSTRUCT THE ARTWORK'

This term our new Year 10 project is titled 'Reconstruct the Artwork'. Students have been given a choice of three different artists whose work they have been asked to investigate: **Roy Lichtenstein, Andy Warhol and Georgia O'Keeffe.** These images are examples of artists' studies produced by the group to enable them to deepen their understanding of artwork produced by their chosen artist

ARTS FESTIVAL 2012

28 JUNE 2012
7PM THE BOURNE ACADEMY

A SHOWCASE OF EXCEPTIONAL STUDENTS ACHIEVING
EXCEPTIONAL THINGS IN THE VISUAL AND PERFORMING ARTS

On the 28th June at 7pm, The Bourne Academy will welcome visitors to the **2012 Arts Festival**.

The Arts Festival will be a showcase of exceptional students achieving exceptional things in the Visual and Performing Arts. It will be a celebration of dance and drama performances from students in all year groups as well as an exciting exhibition of artwork in our 'maze' gallery. The courtyard will be transformed into a live stage for rock bands, Glee band, soloists and vocal groups. There will be a showcase of textile art incorporating a catwalk of original designs by students.

There will be a real festival feel to the event with a range of stalls, exhibitions and performances to excite and interest visitors! At The Bourne Academy we have a wealth of talent in the visual and performing arts and this Festival is set to be an event not to be missed! For further details or to book tickets call 01202 528554 or alternatively email jonathan.perkins@thebourneacademy.com

Media Students visit Harry Potter Studio Tour

On Thursday 3rd of May, Miss Wayman, Miss Boxer and Mr Healey took 36 media students from years 9, 10 and 11 to the Warner Brother's studio tour in Watford London. The purpose of the trip was for students to see how a media industry as big as Warner Brothers go about planning, producing and marketing a film as monumentally influential as **Harry Potter**. Furthermore, this knowledge is

crucial for the yr11 Media Studies GCSE on media industry.

We arrived around 11:30am and once inside, students were able to see the props, special effects, costumes and sets that were all involved in the films themselves. All students were fascinated with the areas of the tour but the aspects students were most over-whelmed by were the full sized replica of 'Diagon Alley,' the 'bigature' (big miniature) set of Hogwarts and being able to go one the three tiered 'KnightBus'. Students were even able to stand outside number 4 Privet Drive to have their photographs taken, as well as stop off to try some famous Butterbeer.

Despite coming home slightly early, all students found the tour worthwhile and exciting. From the results of the evaluation forms 100% of those students felt they had learned something about film-making and would not have improved the trip in any sense. A huge success for one of the first day trips in Media Studies and owing to the students' enthusiasm, more will be organised for the future.

A huge thank you to all the students involved, who were impeccably behaved for the entire day and represented the academy superbly. Also, an enormous thank you to Miss Boxer and Mr Healy who were on hand to give specialist knowledge to the students on the tour.

Miss Wayman, Media Teacher.

6TH FORM @ THE BOURNE ACADEMY

Plans are well underway for our new 6th form, opening September 2013. This will give some of our students who are currently in Years 7-10 the opportunity to stay at the Academy at the end of year 11.

Housed in a brand-new, purpose-built block, our new 6th Form will be aspirational, relevant, and provide a high standard of education and support. Students will be able to choose from a number of courses in year 1, including various Engineering strands, A levels in Product Design, Art, Photography, Maths, Physics, Chemistry, Biology, and a BTEC Level 3 in Performing Arts. We will also be introducing a BTEC Level 3 in Outdoor education, in partnership with **Land and Wave**, a leading provider in this area. This course will be one of the first of its type in the UK, allowing students to study in a professional environment, achieve additional professional qualifications, and have extensive opportunities for work experience. The range of available courses will broaden in subsequent years.

All of our courses will have active links with Universities including **Bournemouth University, The Arts University College Bournemouth** and **University College, London** and employers, which will enable students to have a smooth transition into employment or degree programmes.

More details, including how to apply, will be announced in the Autumn term – watch this space!

By Mr St John

Opportunities for Gifted & Talented Academy Students

From September 2012, **The Bourne Academy** will be affiliated with **University College, London (UCL)**. Similar to the Academy, the University is modern and outward thinking. One of the world's leading universities and regularly ranked in the top five in Europe, UCL will be offering a range of opportunities to all Gifted and Talented Academy Students from years 7 to 11. An extensive programme of activities will also be offered to students who join the Academy 6th form, which is due to be opened in September 2013. Students will have opportunities and leadership in teaching and research, entrepreneurship, volunteering and overseas study. Events will include visits to the prestigious UCL campus, subject master classes, discovery days, guest lectures from PhD students, support for extended projects in 6th Form, along with summer school places and university application support.

Founded in 1826, UCL was the first of its kind to offer higher education to people from all beliefs and social backgrounds. Many notable people have walked the UCL corridors; novelist Mr Peter Ackroyd, theatrical producer Sir Cameron Mackintosh, as well as members of Coldplay and Kean and Mr Ricky Gervaise. The Bourne Academy is very proud that Gifted and Talented Students will be given that once in a lifetime opportunity.

Miss Steel, the Academy's Principal said "I am thrilled with this partnership with such a prestigious university as UCL. They will be offering opportunities for professional development to Academy students and staff alike and we would be able to fulfil the Academy's motto: EVERYONE IS A TEACHER AND EVERYONE IS A LEARNER."

By Mr St John

Are you interested in Health and Social Care, particularly nursing?

Then this course is for you.

This taster session will consist of hands on activities, as well as a tour of the nursing skills rooms at the University.

This would be an excellent insight into working in the caring sector.

WHO: YEAR 10 STUDENTS

WHAT: HEALTH & SOCIAL CARE

WHERE: BOURNEMOUTH UNIVERSITY

WHEN: TUESDAY 19TH JUNE 2012

If you are interested, please pop along to room HU4 or email me on jo.amos@thebourneacademy.com.

LEARNING TO ASPIRE *By Lizzie Jones H3 (year 11)*

Hello, my name is Lizzie. I'm in Year 11 and will be leaving The Bourne Academy in a couple of months. I'm very excited but nervous! I've never contributed towards the Newsletter and have always wanted to and as I have little time left here, I just had to add my little bit!

I plan to carry out my education at St. Peters Sixth Form, where I will study English, Photography and Business Studies. Looking forward to it would be an understatement, as in the future, I will have the chance to go to University and further study English. My dream job would be a television presenter, so my plan is to move to London and to try and work my way up to become the next Oprah Winfrey! So, watch out for me!

I think it's very important for the parents and other students of The Bourne Academy to see the Year 11s plans (*see centre pages*) because it shows how the school has affected the pupils and how the choices they have made are influencing their futures. Seeing young people aiming high is always a positive, and shows their enthusiasm towards growing up. It'll also be great to see what happens, if anybody achieves their goals and if anyone becomes famous! Maybe families don't know about what their child's plans are, so it'll be an interesting to see.

I've become so much more confident thorough out my school life. At the start of Year 7, I was so shy, I knew no-one and had no social skills. Yes, my very first day of school I cried my eyes out because I was so scared and hated secondary school, but now, on my last, I'll be crying from sadness that I'll be leaving the school I've grown up in and learnt so much from. Starting fresh is always the best, so now moving up to sixth form, I'm ready to begin a new journey. My confidence shines now and will be a brilliant skill to have for any jobs, especially for my aspiration. 'ASPIRE' is written as you enter Reception, and that's exactly what we are all taught from being at The Bourne Academy. I've experienced and learnt so much from my life at secondary school.

Year 11 Aimhigher Mentoring Celebration *By Kirstie Stevens P3*

I am a Year 11 student currently being mentored by Bournemouth University students as part of the Aimhigher Mentoring programme. We meet every Wednesday and discuss various issues to do with future plans, global issues and our place in the world. One week we discussed how to write an effective CV and our mentor showed us his CV. I have found the mentoring scheme really helpful to me. In March, at the end of the programme, there was a celebration event held at the university. There were over 100 other students from schools across Bournemouth and Dorset who had also taken part. When we arrived we were met by our student mentor and they took us on a campus tour and then to the refectory for lunch. Also taking place at the University on this day was the Higher Education Convention so universities from all over the country had a stall in a marquee and in the main atrium. We were able to find out about different universities and what courses they offered.

After this we were involved in some team building activities, course tasters and we listened to some short speeches. I went to the Applied Sciences taster where two professors at the University talked about their areas of expertise and the sort of things that students study on Applied Science courses. We then returned to the main lecture theatre for the presentation event and we were each presented with our certificates. It was a very enjoyable experience and it has definitely made me consider studying at Bournemouth University in the future.

Congratulations To Nathaniel Brown A2

Nathaniel is a year 11 student who has been studying a two year Engineering Course at Bournemouth & Poole College, which was part of his alternative KS4 curriculum. Nathaniel attended college one day a week, throughout years 10 and 11.

We are very proud to announce that Nathaniel has passed his course and has achieved his Level 1 Certificate in Engineering. Nathaniel has been an excellent student and has applied himself very well during his course.

Miss Sarah Foley Enterprise, WEX and WRL Co-Ordinator.

UNIFORM

Once you have finished your exams, please could you donate your uniform to the Academy (clean and good condition only please).

LIFE AFTER THE ACADEMY

Canford Sixth Form

Hayley Thomas - English, Politics, R.E and Economics
Elle Upshall - Geography, French, Politics and Business

Bournemouth and Poole College

Mark Anstead – Music and Maths
Molly Bevis – Dance
Maciej Biernacki – Public Services
Nathanial Brown – Motor Vehicles
Jessica Brumatti De Paula – Business Studies, Finance and Maths
Christie Cambray – Child Care
Nicholas Clarke – Media BTEC
Vicky Colledge – Child Care
Alex Curtis – Business and Administration
Callum Curtis - Biology, Psychology and Chemistry
Amy Dahlstrom – Specialised Chef Apprenticeship
Sharney Da Silva – Hair and Beauty
Joe Davison - Creative Media Production Level 3 & A Level Photography
Morris Derupe – Engineering
Jordan Donnelly – Motor Vehicles
Shaine Ely-Gough - Wimborne Town FC Level 1
David Farmer – BTEC Diploma in Health & Social Care, Diploma in Child Care & Education
Lauren Fraser – Child Care
Michael Fisher - Mechanics
Christopher Gardener – Creative I.T.
Jordan Garland Wood – Catering
Joseph Geary - Forensics
Alfie Goodwin - Creative Media Production Level 3 and Film Production
Donna Grant – BTEC Diploma in Health and Social Care
Dalton Haughton – Art and Design
Lewis Hillwood - IT
Eddie Howard – Football Coaching
Jodie Jennings – Dance and Beauty Therapy
Shannon Kearley – Performing Arts
Rebecca Kemish – BTEC Level 3 Diploma in Dance
Renzo Legaspi - Engineering
Jake Leigh - Level 3 Diploma in Sport
Owen Lewis – Level 1 Diploma in Carpentry, Joinery and Brickwork
Kimberley Lockton – Photography and Media Studies
Vicky Lowman - Level 3 BTEC Sport
Shannon McGowan – Level 1 Diploma in Decorative Occupations
Mickaela Morris – Performing Arts
Jamie Mowlem
Michael Noles – Public Services
Phillip Pagett – Creative Media Production
Jay Parkinson - Film, Media, Business and English Language
Evangalise Paterson – Performing Arts
Zak Patmore – Plumbing
Holly Pidgeon – Travel and Tourism
Toni Preacher - English, Business Studies, Sociology and Psychology
Leon Roe – Construction Level 3
Jack Rouse – Electrician and Sport BTEC
Lewis Saunders – Engineering Operations
Sivanath Sankhamol - Catering
Aaron Sims – Travel and Tourism
Georgie Slater – Sport
Stacey Smith – Dance
Jordan Stanislas - Psychology, Sociology and English Language
Kirsty Stevens - English Literature and Language
Josh Traves
Marina Valentina – Child Care
George Wilkins – Motor Vehicles
Kyle Williams – Music
Sam Williams - Engineering
Jake York – I.T.

Bournemouth School for Boys Sixth Form

Oskar Apperley - History, Maths, Music and Physics
Jonathan Cooper - Biology, Maths, History and P.E
Charlie James Peers - Chemistry, Biology, Psychology and Maths

Bournemouth School for Girls Sixth Form

Samantha Basten - Media, English Language, Psychology and Business & Economics
Samantha Bush - Biology, Maths, Psychology and Sport
Lucy Parkes - Psychology, Sociology, Business and Economics and English Language

Kingston Maurward College

Melanie Dunning - Level 2 Diploma in Animal Management

Arts College

Oskar Stockdale – Art and Design

Brockenhurst College

Benedict Buckell May - Biology, Psychology, English Literature and Chemistry

Raven Essex - BTEC Performing Arts.

Applying to Brit School at Christmas

Georgia Hunt - History, English Literature, Sport and Biology

Charlie Slaymaker - Physics, Chemistry, Biology and Maths

Sparsholt College

Charlotte Boxell – Animal Care

Emily Marshall – Animal Care

Kristy Metcalf - Sport

St. Peter's Sixth Form

Lizzie Jones – Business Studies, English and Photography

Mark McNeill - Drama and Theatre Studies, Dance, Psychology and English Literature

Rebecca Milliner – Business Studies, Biology, Maths and Psychology

Charlotte Nickols - English Language, Psychology, Business and Geography

Jack Riggs – Business Studies, Sport and Maths

Poppy Riggs - Photography, Business Studies, English Language and Psychology

John Madejki Academy, Reading

Lauren Mouldsley - Biology, P.E, Sport BTEC

Southampton Football Club

James Dack – BTEC Level 3 in Futsal and Education Scholarship

Twynham

Robert Adams - Business, Physics, Geography and Biology

Nacro

Sapphire Bassett – Foundation Course

Other

Cara Gething – Swindon to study Forensic Science

Sunseekers

Reece Jarrett - Apprenticeship

Scissors

Jasmine Taylor - Apprenticeship

Paragon

Lewis Hunt – Apprenticeship

Aidan Lazenbury - Apprenticeship

Military Services

Sam Small – Army

Oakmead Sixth Form

Elliot Burridge - Construction

Sam Redmond - Sport, Business and Maths

Matthew Roberts – Public Services

Shane Turner – Construction

WHEN I LEAVE THE ACADEMY, I WANT TO

...be happy and to have a good job that I love.

Jay Parkinson

...be a Primary School Teacher.

Oskar Apperley

... be a Bilingual, female Richard Branson!

Elle Upshall

... go to Southampton Uni and become a Film Director.

Alfie Goodwin

... become a Professional Hair & Makeup Artist

Sharney Da Silva

... become a Dance Teacher and travel the world.

Shannon Kearley

... become an Engineer, get married and move to America.

Shaine Ely-Gough

... be rich, famous and happy!

Mark McNeill

... own my own business.

Melanie Dunjning

... be a Specialist in Cystic Fibrosis in a children's ward.

Rebecca Milliner

... teach English in South Korea.

Kirsty Stevens

TBC

Apolo Delgado – Hairdressing/Barbering Apprenticeship

Jack Jessop – Sixth Form (Biology, BTEC Sport, Geography and Chemistry)

Charlotte Kempton – Brockenhurst (Biology, Psychology, Sociology and Drama theatre studies) or Bournemouth and Poole College (Performing arts)

Rachel May – Bournemouth and Poole College (Level 3 Sport and A Level P.E) or St. Peter's Sixth Form (Biology, Maths, Psychology and Business Studies). Andre Rabie

Hayley Trim - St. Peters or Twynham Sixth Form (Maths, Business, Economics, Photography or Psychology)

Message to year 11s: As far as are we aware at the time of going to press, this information is accurate. If there are any discrepancies or changes please let us know and we will amend this in the next edition.

GOOD LUCK TO THE CLASS OF 2012

The Bourne Academy Year 11 2012

 Lisse Burbidge, Kacey George, Craig Wilson, Tanya Stewart, Seamus Bowerman-Ellis, Helen Rave, Theresa Simmons, Joanna Amos

Media Students Visit Bournemouth University

On Wednesday 9th May, 12 year 10 Media Studies students visited Bournemouth University for a professional editing workshop.

Students arrived at the University and were impressed by the size of the campus and abundance of eateries! Students were escorted to the main media campus (Weymouth House) which conveys the professional equipment used by the media students there, as well as the number of recording studios. Students were allocated a new Apple Mac desktop and were tutored on how to create a music video via a software programme, Final Cut Pro. Final Cut Pro is used to edit most film & game trailers in the UK, as well as being widely used in the BBC, thus a very worthwhile workshop for students interested in these areas of the media.

All students expertly edited their music videos using the software and 100% of students stated on their evaluation forms that using the professional equipment was one of the most enjoyable features of the workshop.

Not only did this opportunity show students how Media is taught in Higher Education, but also conveyed to the students that their local university is one of the best in the country in regards to Media Studies.

A huge thank you to all the students involved who not only worked very professionally but were also very polite to the University staff.

Miss Wayman., Media Teacher.

EXHIBITION AT THE CROOKED BOOK SHOP, BOSCOMBE

Selected Year 8 and Year 9 Bourne Academy work was displayed in a fantastic exhibition at The Crooked Book, a bookshop-cafe in Boscombe, recently. The work was inspired by artist Amy Nightingale who held her own exhibition at the cafe recently. Amy also visited The Academy last year to do a workshop with our Year 9 students.

Our students' imaginative, wierd and wonderful creatures were displayed alongside Amy's own intricate artwork and looked wonderful against the backdrop of The Crooked Book. The exhibition had numerous visitors, both students, parents and the general public and the work of our students was much admired by all. A great opportunity to celebrate the success of our students .

CHEERLEADING CLUB

A few weeks ago Emma Ward from 'Dorset Dragons Cheerleading Club' ran a taster session for our year 7's and 11's. The students worked in groups of 5 and Emma taught them step by step the progressions leading up to complex and challenging lifts. The students' confidence and self-esteem grew as a result of their success and enjoyment in the activity - they became more willing to contribute to the lesson and realised that it was a fun and very rewarding activity. The students had to work in groups, organising and taking responsibility for themselves and others as part of a team. Some students were really inspired by the taster session and have now joined the club.

Mia Blandford and Ada Collings, both year 8's, are currently very successful members of the club, competing at National level. Emma Ward, head coach, recommends that anyone who is interested in joining the programme should first come along to watch a training session. They will meet everyone and see first hand what cheerleading is all about. No previous experience is necessary as full training will be provided in a safe, structured way by experienced, insured coaches, at exceptional gymnastics facilities. Visit www.dorsetdragons.co.uk or see Miss Burdett for more details.
Miss Burdett (Teacher of PE/Dance)

The Bourne Academy Dance Company

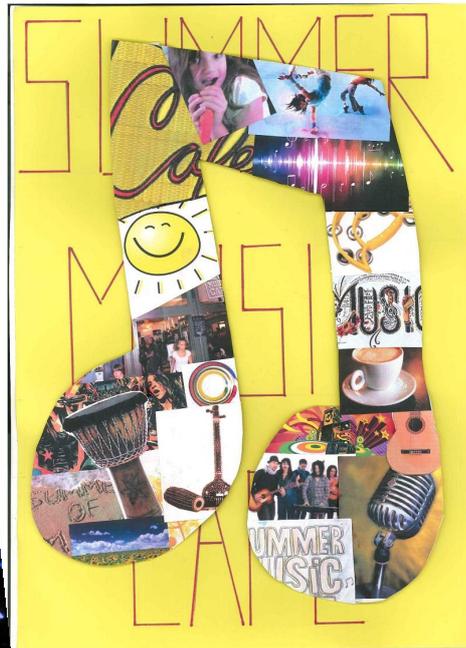

There are currently 20 students from Year 8-10 who are working very hard on a Thursday night to create a fantastic Dance routine for the **Arts Festival** and the **Olympic Torch Relay**. The students are learning very complex Street Dance routines and are practising very hard to produce a brilliant performance to their audience. We have some very talented students in the Academy and this is a great opportunity to show off their talent to the local community. More information will be release in the next Newsletter about the following performances.

Helpers Wanted for Dance Performances

I just like to say a big thank you to all the Parents who offered their services in helping the Arts and Enterprise team in supporting next year's **Rock Challenge 2013**. Your contribution to this project will go a long way and will support helping students gain the experience of performing in a professional theatre. The students are currently sorting out the theme and trying to come up with new ideas in how to raise funds for this project. **Rock Challenge 2012** was a big success in the Academy and without the support of the local community we would not be able to do these big events. If you are interested in helping out with any Performing Arts project either building sets, making costumes, front of house or back stage please contact Miss Martin for further information.

SUMMER MUSIC CAFE

Summer Music Café

Wednesday 13 June 2012

7PM The Hub

Adults £3 Concessions £2

Tickets available from A&E Office at break time

The Bourne Academy Presents

The Bourne Academy presents the second Summer Music Café. Following on from last years hugely successful event, the Hub will play host to an exciting programme of musical talent. Glee Band is sounding better than ever and raring to go with their performances. There are students representing all year groups at the event which is sure to be a full house. A wide range of styles of music will be represented in a showcase of the broad range of musical talent at The Bourne Academy. For any student who would like to lend their support or get involved speak to Mr Mastrocola. Tickets will be on sale Monday 28th May priced £3 adults and £2 concessions. Tickets on sale from the A&E Office at break times or alternatively email jonathan.perkins@thebourneacademy.com

Leisure and Tourism Students

Visit The New Forest By Hannah Stokes year 10

On Wednesday 14th March, the Year 10 and 11 leisure and Tourism groups went on a visit to the New Forest. First we stopped in Burley where we had a wander around the village exploring what is on offer for visitors. Next we went onto Lyndhurst where we visited the New Forest Centre. We were given an interesting talk from one of the Education Team there about the history of the Forest and also about the impacts of tourism on the forest. We then had a tour around the centre and visited its museum. After this we had lunch break and were able to explore some of Lyndhurst and get some lunch. We all went to Costa! After lunch we walked to Bolton Bench and discussed how impacts on the Forest are managed. We then returned to the Academy via the Station House at Holmsley. It is situated on the old railway line and is a prime position for walkers, cyclists and horse riders. We had some refreshments here before taking a short walk from there along the disused railway line. For our Unit 1 exam, we have to know about the New Forest and what activities and facilities it offers, so this visit helped us understand this more. Thank you to the New Forest Education Centre in Lyndhurst and the Station House, Holmsley for allowing us to visit.

This newsletter is for **you!**
 If there is anything else you would like to see ,
 please contact me at
 della.dawson@thebourneacademy.com.
 I look forward to hearing from you.

THE BOURNE ACADEMY
